DEDICATION

WE DEDICATE THIS YEARBOOK TO HARRY T. BAKER, WHO STEPPED INTO THE POSITION OF PRINCIPAL A YEAR AGO WITHOUT ALLOWING A SLIP IN OUR EDUCATIONAL MACHINE. HE HAS PASSED THE TESTS OF ALL HIS SEVEREST CRITICS, YOUNG AND OLD, AND HAS WON THEIR ADMIRATION BY HIS EXECUTIVE ABILITY, FRIENDLINESS, WISE COUNSEL AND DEMOCRATIC SPIRIT. MAY THESE PAGES BE A REMINDER OF OUR NEW LEADER WHO HAS DEDICATED HIMSELF TO THE ADVANCEMENT OF EMPEHI AND WHOSE IDEALS HAVE INSPIRED US TO STRIVE FOR AN ERA OF GREATER DISTINCTION. . . .

SENIORS

February

The February class of '36 set a precedent which classes will probably try to copy for years to come. The Senior prom was held away from the Ridge for the first time in the history of the school. On Tuesday, January 28, about 350 students gathered in the main ballroom of the Lake Shore Athletic Club to dance to the music of Emil Flindt's orchestra. This turnout was in marked contrast to the predictions made for a dance so far away. The method of selling bids was also unique, for they were bought before the place and band were determined. The plan was devised by Bud Heffley, chairman of the Prom committee, which included Ruth Dillman, Anita Goss, John Stearns, Bud Owles, and Carl Scheussler.

The gift, part of the money necessary to buy a new rug for Principal Baker's office, was chosen by a committee headed by Adele Palmer. Ruth Asher and a group of helpers took charge of the ring problem. Announcements were ordered and distributed by Mary Jane Horton and her assistants. In charge of the Commencement program was Bill Webbe. The Senior assembly was planned by Bill Overman and David Wylie. The Social committee was under the direction of Maurine Carrell, vice-president of the class, and John Houseman, treasurer, did the worrying about the budget.

The other officers were Arthur Johnson, president, and Cathryn Williams, secretary. Arthur Johnson was also valedictorian.

Class day, climaxed by a social in which the costumes were supposed to imitate those worn to Barn dances, ended a week of celebration which was to change to sorrow graduation day when the students realized that they had completed their stay at Empehi.

Who's Who, February

Here's the oustanding man of the February class. Senior president, Arthur Johnsen, finished Morgan Park with most of the major offices of the school. Worked up through the line in the R.O.T.C. to commanding officer and Lieutenant Colonel on the Brigade staff. Distinguished himself in scholarship as president of Tau Epsilon and as valedictorian. All this he accomplished in characteristic quiet without making an enemy.

Camera in hand, Cathryn Williams "snapped" her way through Empehi. Started with a kodak and an enthusiasm for the beautiful, became Camera Club president, Morgan Park's cutest girl and one of the first ten in her class. Likes to pace the sideline during a football game and catch the team in an unusual play. Plays the violin to round out her cultural training.

Voted the most popular girl in the senior class, Maurine Carrell, active and musical, has made herself known through a wealth of interests. Firmly established as a dancer by her second year, she went ahead into the Girls' Glee Club and on to the Board of Control through her leadership in these organizations. Her part in the Senior play will not be forgotten.

An unusual combination of athlete and student is Bill Webbe. Started his career in his first year as a football player and finished on the first string as left halfback. During last two years he really broadened out. Became a singer, swimmer and secretary of the Student Assocation. Bill was active in his fourth year on many committees. Remembered for his courtesy and charm.

Class Bum .....Kirk Tally

June

All the business of the graduating class of June '36 was handled by an efficient quartette of officers, led by James Tredup, class president. To him went the responsibility of the appointment of senior committees and the directing and supervising of the many senior activities. In this task he was aided by Robert Anderson, vice-president of the class. Jean Daly as secretary was the dependable keeper of records which contributed greatly to the smooth running class machinery. To George Flagler, class treasurer, went the ever difficult task of the preparation of the budget.

One of the outstanding achievements of the class was the Senior prom which was presented outside of the neighborhood for the first time. The social committee was under the direction of Jed Mattson and prepared the Senior social. The chairmanship of the committee on commencement arrangements was given to Margaret Standerline. The preparation of the Senior play was taken over by Paul Henderson and Gordon Crowder together with all the amateur thespians of the class. The arrangements for ring orders were handled for the class by Roger Anderson and his committee. This year the Senior class was given the opportunity to buy rings in the 4B semester so they could wear them during their senior days. This proved to be very popular. The head of the committee on announcements this year was Marjorie Holmes. She and her committee arranged for the choice and obtaining of commencement announcements for all who desired them. Allen Cunningham led the committee whose duty it was to choose the Senior class gift.

Jim Tredup

Loads of luck.

Anderson
'36

Who's Who–June

He's Empehi's dark horse in the June class race for popularity. Very few come up so fast from comparative obscurity. James Tredup is one who did. Clothed in modesty and quiet, he directs the business of the Senior class, the Student Court, and the Latin Club. Not a few know the power he has given the Student Court inspectors in their fight for respect. Plays ping pong as a diversion and an outlet.

A good mixer is Sue Barclay, who has fitted herself into four committees and the second vice-presidency of the Student Association. Likes to take an active part in many things. Has equipped herself to lead through the chairmanship of the Activity committee, the Social committee, and the Sophomore class. An honor student for four years and a spirited member of the Executive committee.

Betty Conwell is a born chairman. One of those people who comes to mind whenever a leader is being selected. Guides the Board of Control in her silent style in the same way she handles room business. With very little stir has controlled Girl Reserves' money, a place on the Student Council for three years, and the first vice-presidency of the Student Association. Persuades clubs to outdo themselves in assemblies.

Gifted with an inexhaustible supply of energy, Roger Anderson has managed to squeeze a surprising amount of activity into his three years at Morgan Park. Snatched bits of journalism, singing, and studying between football games and wrestling matches. Worked up from reporter to associate editor on the Empehi News and to executive on the Annual staff. Very few couple athletic and scholastic endeavors. Roger is one who did.

IN MEMORIAM

Sergeant John J. Dignan will long be remembered for the excellent work he performed in the R.O.T.C., during his short stay at Morgan Park. His untimely death left a gap in the hearts of the students which will not soon be filled. He was a man of fine principles and high ideals. He did many good things, both for the school and for the R.O.T.C. unit. It took him but a few, brief months to make a host of close friends at Empehi. His passing was felt by all of the sympathetic student body.

Betty Conwell
1st Vice-president

Sue Barclay
2nd Vice-president

John Stearns
Secretary

Student Association

The officers of the Student Association for the past year have been: Jack Busch, president; Betty Conwell, first vice-president; Sue Barclay, second vice-president; John Stearns, secretary.

The Student Association has, for the past two semesters, put on an intensive program. During the fall semester a railroad train was used as the symbol of the membership drive and on the Student Association membership card. This card was in the form of a train ticket with detachable stubs for stops or events presented by the Student Association that semester. This card with a small charge admitted S. A. members to many lectures, socials, movies, and other events. The Student Association established this semester, a day called "assembly day." Upon this day, students who had a study or were free were permitted to go to the auditorium where, for the entire day, there were continuous lectures and demonstrations of educational value. At this time many athletic exhibitions were put on by members of the school teams and professional athletes. In addition the Association started a school newsreel.

In the spring semester the Student Association used as its symbol a steamship. In the fall the S. A. train traveled supposedly from San Francisco to Morgan Park, each membership representing one mile of the journey. In the spring the steamer S. S. Student Association made a very successful voyage from New Orleans to Morgan Park. The membership card in the spring was in the form of a passport carrying out the steamship idea. Apart from the passport stops many other events were given in the spring.

The Annual staff this year, under the direction of Paul Henderson, has attempted to publish an annual that would be distinctive and different. This has been accomplished in the modernistic development of the makeup. The pictures have been run off the edges to give balance and a roominess to the pages. In order to promote a little interest, the picture with the students in it was put on the front.

Aside from the numerous small tasks which were ably handled by the majority of the staff, some of the larger jobs in the making of the Annual were performed by a few staff members who ought to be mentioned.

Henderson, Crowder, Anderson and Claussen made hash of the previously appointed positions by assuming responsibility in all directions. As originally planned, Gordon Crowder was literary editor, Roger Anderson was sports editor, Mary Alice Welhener was circulation manager, and Byron Smith was business manager. No doubt the social genius of the editor, Henderson, superseded his executive genius in forming a little coterie which assumed the burden of the work. We don't, however, want to take all the credit, but you must have a vague notion by this time who is writing this article.

Apart from these demons, we must leave you with a few noteworthy names: Eleanor Longley, snapshots; Alison Rider, bookkeeping; and Ann Ewing and Shirley Black.

Empehi News

The fourth estate of Empehi has reflected the events of school life and activities to the best of its ability, despite the fact that its size has been reduced from eight pages to six the second semester. Its success has resulted from the efforts of Ruth Hatfield and Parke Loren, the editors-in-chief, and Miss Margaret Sturgeon, faculty adviser. Ruth's talent for feature-writing helped to add glamour to the newspaper during her administration. A strong inclination toward exactness is a quality of Parke's character which made for accuracy in his direction of the staff. Miss Sturgeon's co-operation with each editor-in-chief was effective and appreciated. Because of the "Free Policy" of the Student Association for the past semester, the Empehi News no longer has published an extra in conjunction with Quill and Scroll.

Ruth Hatfield and Jean Glass were the delegates to the National Scholastic Press Association Convention at Milwaukee on December 1 and 2. Representatives were also sent to the Medill Press Conference at Northwestern on May 1 and 2.

The Writers' Tournament, sponsored by the Greater Chicago Scholastic Press Guild, was entered by members of the staff. In the submitted material section, Parke Loren's and Dick McCornack's entries were editorials, Florine Philips and Parke Loren submitted features interviews, and David Goldsmith sent two general feature stories. The extemporaneous section of the contest had entries of Parke Loren and Ray Wolf for editorials, Jean Glass and Jack McCune for news stories, Ruth Hatfield and Florine Phillips for features and Russell Jones and Allen Cunningham for current events.

Many students of Morgan Park are unaware of the important part the Business staff plays in the publishing of their weekly newspaper, THE EMPEHI NEWS. The most important duty of the Business staff is soliciting advertisements. The revenue obtained from these advertisements helps to support the paper. The Business staff is also responsible for the distribution of the papers to the pupils, and the sending of the papers to the various schools and individuals on the exchange list.

Tau Epsilon, the honor society of Morgan Park, was organized in 1924 for the purpose of interesting students in scholastic standing and activities. It has grown from a club of sixty to a thriving organization of two hundred and fifty. The requirements for membership are: an average of eighty-five in four majors with no grade below eighty, and in addition, four honor points. Honor points are awarded for holding an office in any club or division room, for grades over ninety, and for any special service rendered to the school.

During the fall semester, the two outstanding meetings were the ones at which speakers were presented. One was a talk on "Our Future in the Business World" by Mr. Edward Porter and the other was a travel talk by Mrs. Korten.

In the spring semester the club presented an assembly for the school on April third. Dr. Eugene Lawler of Northwestern University was the speaker and his subject was "Things We Ought Not to Miss." Besides the annual ping pong tournament, there was entertainment this year for bridge and monopoly enthusiasts on Games Day.

Each semester Tau Epsilon gives awards to the highest ranking seniors and also to the graduates who have been in Tau Epsilon throughout their four years at high school.

The advisers for the club this past year have been Miss Meroe Conlan and Mr. Charles Drummond. The officers for the fall semester were: president, Arthur Johnsen; vice-president, Jane Caldwell; secretary, Charles Beardsley; and treasurer, Bette Miller. The officers for the spring semester were: president, Jessie McCumber; vice-president, Alfred Schwider; secretary, Shirley Black; and treasurer, Arthur Bethke.

Band and Orchestra

To give those who are interested in instrumental music an opportunity to develop talent, the Concert Band was organized. The Band, under the direction of Captain Guy D. Hartle, has been decidedly active during the past year.

This year the Band decided to enter the city Band contest, although it has not been in competition for several years. The results were not what they might have been, but the genuine interest displayed by the players promises to bring pleasing results in future contests.

The officers of the Band for both semesters were: Frank Benjamin, president; Robert Campbell, vice-president; Robert Barnett, secretary; and Alfred Schwider, treasurer.

Also under the able direction of Captain Hartle, is the Orchestra. The orchestra plays not only for its own development and benefit, but for numerous other occasions during the year. Some of the more notable events for which the Orchestra has played, were the operetta, the Dramatic Club plays, and the February and June commencement exercises. In addition, the Orchestra alternates with the Band in playing for assemblies.

The Orchestra was formed for the one purpose of giving the students a better understanding and appreciation of music. The officers for the first semester were: Florence Hagar, president; Juanita Jenson, vice-president; Walter Bornemann, secretary; and Margaret Standerline, treasurer. The officers who succeeded these were: Walter Bornemann, president; Louis Hicks, vice-president; Margaret Standerline, secretary; and Juanita Jenson, treasurer.

At Morgan Park the Girl Reserves is divided into three groups, two at the main building and one at the Clissold Branch; and has reached through its membership over three hundred girls. Working in committee groups of various sizes called triangles, these girls have planned ceremonies, student talent programs and discussions on subjects of immediate interest to the members.

Outside of the meetings they have promoted such projects as Bow Day, a Novelty Candy Sale, and a Mother's Tea. They have reached out into the community through Christmas service work in cooperation with the Relief stations and the United Charities. They are particularly interested in city-wide enterprises through having in the club the City-Wide Girl Reserves president.

The officers of the various groups during the fall semester were: Third period—Frances Hillier, president; Louise Cole, vice-president; Edythe Clarke, secretary; and Florence Jones, treasurer. Ninth period—Jane Caldwell, president; Jane Ward, vice-president; Winnie Stevens, secretary; and June Miller, treasurer. Clissold branch—Mary Robinson, president; Florence Greenleaf, vice-president; Barbara Davis, secretary; and Cherrie Pierce, treasurer.

The June officers were: Third period—Grace Reed, president; Lenore Cation, vice-president; Annette Bickel, secretary; and Florence Mansfield, treasurer. Ninth period—Marjorie Schulz, president; Jane Ward, vice-president; Marjorie Holmes, secretary; and June Waughop, treasurer. Clissold branch—(two groups) Ann Wickham, president; Lucille Bain, vice-president; Betty Chatkin, secretary; and Dorothy Conquest, treasurer. Sophie Zayka, president; Virginia Grant, vice-president; Marjorie Johnson, secretary; and Michalina Galinski, treasurer.

Commercial Club

One of the most active and useful organizations in the school, both in the social and business field, is the Commercial Club. The club has a three-fold purpose: (1) to render service to the school, not only through the Student's Exchange, but by furnishing efficient commercial work to any teacher or club desiring it; (2) to broaden the business outlook for the members by means of exhibitions, and through speakers; (3) to provide more social life for commercial students. This club was organized in 1929 by Mrs. Ruth Schachtlie, who has been its advisor for the past seven years.

Each semester a definite program is prepared to make the meetings interesting. The following program was planned for this semester: March 17, installation of new officers, Edward Eisen and Pauline Palmer, chairmen; April 17, social meeting, Norma Palmquist, chairman; May 19, a speaker, Ethel Mae Nieder, chairman; June 16, a picnic, Lillian Kohr, chairman.

During the fall semester $76.00 was donated from the student's exchange to the following: free supplies for needy pupils, payment on curtains for Mr. Baker's office, filing cabinets for the bandroom and office, pinking scissors for sewing room, donation toward the Girls' Emblem Club, and a magazine subscription for the library.

The officers for the fall semester were: Robert Haglund, president; Virginia Crowley, vice-president; Ruth Malinsky, secretary; Joseph Zink, treasurer; and Victoria Rosati, alumni-secretary. The officers for the spring semester were: Victoria Rosati, president; Harold Engler, vice-president; Julia White, treasurer; George Kawalchuck, secretary; and Bernice Correll, alumni-secretary.

One of the most helpful organizations of this school in developing the poise of the students is the Dramatic Club. This club, which was recently given the name "Spotlighters," has a two-fold purpose, which is to bring bigger and better plays to Empehi's stage and in doing so to give each member of the club some stage experience. To uphold this purpose the members have presented during the past year, eight entertaining one-act comedies, from which the proceeds have been used to pay for the repairing and repainting of the scenery. Also many of these plays have been given in programs either for assemblies or in keeping with the free policy of the Student Association. These and many other things, including participation in the evening performance given by the students for the Parent-Teacher Association in connection with Youth Week, have been accomplished during the past two semesters under the guidance of our adviser, Miss Kemp, and also under the direction and leadership of our two presidents, Dorothy Dykeman and John Hudell.

Undoubtedly the work of John Hudell and Dorothy Dykeman should deserve some mention. John has an unusual ability to turn a difficult part into a sucess. His handling of dialects added a great deal of humor to the plays. Dorothy distinguished herself by playing a major role in almost every production.

The club officers elected for the fall semester were Dorothy Dykeman, president; Gerhardt Sauerman, vice president; Martha Hewes, secretary, and Edith Clark, treasurer. For the spring semester the slate consisted of John Hudell, president; Janet Siemans, vice president; Barbara Maher, secretary, and Lanora Cation, treasurer.

The Latin Club, Sodalitas Latina, was founded in 1930, for the purpose of educating its members in the language and customs of the ancient Romans. To become a member of this club, one must either have passed his 2B semester in Latin with an eighty-five or better, or be studying third or fourth year Latin. As much of the procedure as possible takes place in a Roman manner. The officers are named as Roman officials, the initiations are carry-overs from Roman custom, and there is a celebration corresponding to the Roman feast, the Saturnalia. The president, at the end of his term, rules supreme for the last meeting, but at the end is "sacrificed to the gods." Every year the club holds a banquet near April 21. The banquet this year was held at the Congregational Church.

Sodalitas Latina gave an assembly in January, presenting Payson Wild, well-known classicist of Chicago. They also gave to the school a bisque statue of "Diana and the Stag," an exact copy of the one in the Louvre at Paris. Diana was the old Roman goddess of the hunt and the moon.

The Latin Club maintains a scholarship fund, which is given to the best needy senior entering college. Mrs. Harriet Hecht, with the able assistance of Miss Cora Petty and Miss Durkin, has brought the Latin Club successfully through another year. The club now has a membership of nearly fifty students.

The officers for the fall semester were: Marjorie Holmes, first consul; Richard McCornack, second consul; James Tredup, scribe; Jeannette Henss, quaestor. The officers for the spring semester were: James Tredup, first consul; Jean Launspach, second consul; Jeanne Turpin, scribe; and William Freeman, quaestor.

"El Circulo Espanol," one of the two language clubs of Empehi, was founded in 1927 and has been active since that time. Its purpose is to better acquaint the students of the Spanish language with the geography, the people, and the customs of our friends in Spain, Central and South America.

Any student who has successfully completed two semesters of elementary Spanish is eligible for membership in this club.

Among the highlights of the entertainment for the past semester were the illustrated lectures given by Miss Jane Gahl, Miss Marie Bellinghausen, and Miss Mary Holland on their trips through South America last summer. The club received the benefit of inspecting a varied collection of Spanish scrap books which were a project of the advanced classes.

The program commitees have succeeded in obtaining slides and movies from steamship and railroad travel agencies. The Spanish classes have cooperated by presenting many short plays in Spanish. The club has learned several Spanish songs which are sung at the meetings.

The annual Spanish Club doughnut sale held in Empehi on April 11, proved a great success, judging from the large number of doughnuts which were sold.

The officers of the club for the fall semester were: Jean Glass, president; Kathryn Ward, vice-president; Pearl Schreiber, second vice-president; Harry Nevin, secretary; and Boardman Mowry, treasurer.

The spring semester saw the club under the guidance of: Harry Nevin, president; June Whitman, vice-president; Fern Hart, second vice-president; Boardman Mowry, secretary; and Constance Thompson, treasurer. The invaluable aid given by Miss Holland, the adviser, helped the club through a very successful year.

A roving band of nature lovers are the members of the Zoology Club. Under the adviserships of Miss Lucy Babcock, the Zoology Club, during the last year, has visited Turkey Run, the Chicago Live Stock Exhibition, and the Shedd Aquarium. At Turkey Run, the members had a chance to wander through the woods and observe the spring bird migration.

In order to qualify for entrance in the Zoology Club, a student must have received a grade of eighty-five or better in Zoology. This proficiency plus a decided interest in living things has brought into the club fifty members. Always a live organization, the Zoology Club was formed to promote interest in the different forms of animal life. Miss Babcock, whose active interest and leadership has brought the club to its present efficiency, has been faculty adviser for a number of years.

As proof of the fact that the animals which they are studying are intelligent beings, Snoozer, the Ideal Dog, was presented by Mr. Meredith of Wilson and Co. at an assembly which will be remembered for the astounding feats performed by the dog at the slightest suggestion of his trainer.

The club invited the Botany Club to share in its Arbor Day meeting. Doctor Carpenter, pastor of the Methodist Church and a noted naturalist of this community, discussed the unusual bird slides which he showed.

Officers for the fall semester were Harold McCullagh, president; Jane Ward, vice-president; Marjorie Jolly, second vice-president; Anne Gardner, secretary; and Eunice Kass, treasurer. The officers chosen to succeed this slate for the spring semester are Eunice Kass, president; Marjorie Jolly, vice-president; Charles Beardsley, secretary; and Robert Ehrler, treasurer.

Stage

The Stage Crew is a very closely knit organization consisting of eleven hard working and technically-minded students who have the custodianship of school properties valued at more than $8000. The Stage Crew's duties range from preparing the stage for music classes to planning and producing scenic effects for the various theatrical productions. The crew collaborates with the Student Association, the Ridge Forum, the Parent-Teacher's Association, and other community groups in presenting entertainment to the students of Empehi and the residents of the Ridge.

Each member of the crew must be trained in teamwork and the care and handling of the stage equipment. It is necessary for him to devote almost all of his time after school and his free periods during the day to the stage in order that he may perform his duties swiftly and accurately.

The valuable aid of our faulty adviser, Mr. Hunter, plays an important part in the work of the crew. The successful work of the crew is due largely to his cooperation and guidance. His right hand man is the stage manager. This position is attained through appointment by Mr. Hunter. Dave Maver has held this position for the year 1935-'36. Dave Goldsmith has been appointed to hold the position of stage manager for the coming semester.

Quill and Scroll

The Morgan Park chapter of Quill and Scroll was organized by Mis Margaret Sturgeon in 1929. Chapters in this, the international honorary society for high school journalists, are located in every state in the Union, England, China, British Honduras and Alaska. Journalist members from schools which are outstanding in the quality of their publication work number over fifteen thousand.

Five requirements must be met before a student may become a Quill and Scroll member. He must be of junior standing, be in the upper third of his class, have done some superior work in some phase of journalism, be recommended by his chapter's adviser and be approved by the national executive secretary.

Morgan Park's Club presented a variety of interesting activities to its members during the 1935-1936 school year.

Robert E. Morningstar, noted journalist, lecturer, traveler, and amateur photographer, gave an informal talk at the November 9 meeting, preceding his lecture to the Student Association. He told of his experiences as an old-time newspaper man.

Two sets of officers are elected by the club each year. The first, which served during the fall semester, included Roger Anderson, president; Helen Glennon, vice-president; Jean Glass, secretary; and Parke Loren, treasurer. The spring semester officers were Jean Glass, president; Jack McCune, vice-president; Muriel Cook, secretary; and Ray Wolf, treasurer.

Eight Quill and Scroll students were graduated during the year. They are Roger Anderson, Mary Elizabeth Bebb, Jean Glass, Marian Smith, Juanita Jensen, Paul Henderson, Helen Glennon and Parke Loren.

Treasurer

Clissold Student Association

The second successful year of the branch at Clissold has been completed. The students feel privileged rather than discriminated against in having their freshman year at the branch. Among the largest factors in this success were the social activities and intra-mural class competition, started by Robert von Behren, president; Paulette Starz, vice-president; Andrew Hoigard, secretary, and Henrietta Fisher, treasurer, for the first semester of the Student Association. These things were greatly enlarged upon by adding the Board of Control, Girl Reserves, and a Tennis club to the student body organizations by Barbara Miles, president; Garretson Humphreys, vice-president; Jeanette Renevier, secretary, and John Ruhl, treasurer, for the last semester.

The Student Court has functioned very well under the guidance of Marcia Cruse, judge, the recorder, Nancy Doerr, and Barbara Davis, Robert Snip and Henrietta Fisher, jurors for the first semester. The officers for the last semester were judge, Ruth Poor; recorder, Barbara Davis; Marjorie Chivers, Rudolph Kottemann and Robert McKee, jurors.

During the year the two newly organized Girl Reserve units have sponsored several candy sales and popcorn sales. They also sponsored yarn dolls and bow day sales. A roller skating party was given to complete the semester of rapid progress. The branch reporters for the Empehi News acted well under the direction of Elaine Kuehene and Carol Franson as the chief and assistant reporters, respectively. The sales committee has successfully handled all the ticket sales for the year, including the sale of tickets for the Student Association activities.

R. O. T. C.

The Morgan Park High school R. O. T. C. unit has the distinction of holding the rank of honor school for two successive years, which, until 1934, had been held only twice by this unit, once in 1923 and again in 1929. Last June, Sergeant H. E. Parrett, military instructor for nine years, left to take a post in that capacity at Senn High school. In September, Sergeant J. J. Dignan became Empehi's military instructor, which position he occupied until his death early in March. After a short time under the leadership of Sergeant Albert J. Cloutier, command of the until again reverted to Sergeant Parrett. Principal among the improvements made in the past year is the forming of a regimental organization of two battalions. The regimental staff for the second semester consisted of Cadet Lieutenant Colonel Raymond Pascoe, commanding; Cadet Major James Cunningham, executive officer; Cadet Captain William Freeman, adjutant; Cadet Captain Delmar James, plans and training officer; and Cadet First Lieutenant Robert Hodson, supply officer.

The Cadet Officers' club of the R. O. T. C. has continued to operate efficiently all this year, despite the many changes and readjustments. During the past scholastic year the club has placed two of its members on the Chicago High School Brigade Staff: Cadet Lieutenant Colonel Arthur Johnsen and Cadet Major Byron Crosman. Officers of the club for the first semester were Arthur Johnsen, president; Frank Jerome, vice-president; George Evans, secretary; and Harry Benner, treasurer. The second semester officers included Byron Crosman, president; Harry Benner, vice-president; Delmar James, secretary; and Frank Shoemaker, treasurer.

ATHLETICS

Although one of the smallest schools in the city, Morgan Park's athletic teams hold an enviable position of respect in city high school sport circles. Often with a team of small size and few stars of great ability Empehi has, with sheer will to win and determination, succeeded in downing schools of much greater size and supposedly better ability.

The Morgan Park spirit has been shown in the scoring columns in many ways. A football championship, runner-up the following year, a sustained, exceptional record by the swimming team, winning basketball squads and baseball nines, two city wrestling champions, and a team of golfers that were nosed out of the city championship by a few strokes.

Much of the credit for the showing of our teams should be given the coaches whose painstaking and efficient work is the greatest factor in an athletic team's success. On the capable shoulders of Dick Tweedie rests the responsibilities of the position of Athletic Director. His difficult job is that of supervising all sports and attending to all the details of eligibility, game sites, and outside relations. He adds to this the coaching of golf and tennis. Three sports claim the attention of Robert C. Antonides. Under his tutelage, the football, wrestling, and baseball teams have made a name for themselves. His enthusiasm and popularity with his charges are the main reasons for his success as a coach. Swimming at Morgan Park is directed by Coach Robert Maysack, or as he is better known, "Pop". Under his coaching the tankmen have had continual winning seasons. Always with a well developed all around team, "Pop" has the added distinction of having built up many individual stars. Thomas Roberts is the newest addition to Empehi's coaching staff. Coming here only last year he has not had time to develop any teams. He is in charge of basketball and in his first year has shown his intentions of presenting Morgan Park with many championships in basketball.

Football 1935

Coach Antonides

Although the Green and White tide did not take the championship this year, it was one of the strongest teams in the city. Before the season started there was little hope for the squad because of its diminutive size. When the season closed it was a different story. Pluck and grit had elevated it to undisputed second place in the South section with only one unfortunate defeat marring its record. The gridders of '35 proved that any team with a will to win could go far in football competition.

Empehi played the first game of a tough season with a strong Fenger team and came through with a scoreless tie. On the next Saturday afternoon we took on Harper and beat them with a score of 12 to 2. Parker was our next opponent and although outplayed in the first half came back in the second to turn back the Green wave by 12 to 0. Calumet, our traditional rival came next. However they proved to be below our standard and were on the short end of a 10 to 0 score when the last whistle blew. Bowen on the following Saturday was tougher and gave Empehi a chance to exhibit what it could do under competition. We fought out a 6 to 0 victory. The season closed with a tussle with Hirsch in which the gridmen earned an easy victory with the score standing at 12 to 0.

Paul Govedare, skillful halfback for two seasons, was given the honor of leading the '35 football machine. Paul turned in one of the finest jobs in the history of Empehi, both as a leader and as an active member of a championship contending team. His punting, running and tackling will long be remembered by all who saw him in action on the gridiron. His leadership talents were expressed by the esteem and respect in which he was held by his teammates. He was mentioned on many all-star elevens.

Dick Banger had the difficult position of alternate quarterback. His duty, in which he shone, was frequently that of taking direction of the team when the going was the toughest. Last season was Dick's first on the football team and from the talent he has shown, he will be one of the mainstays of next year's team. He has shown promise of becoming an excellent passer and a tricky runner. The knowledge he amassed last season will be an invaluable asset to Morgan Park's eleven of '36.

Warren Hall, crashing fullback and halfback, was one of the spark plugs of last fall's team. His peppy spirit, his vicious defense and his line plunging were large factors in the respect in which Morgan Park was held by their opponents. His interception of enemy passes often stopped drives that might have been fatal to the Green and White cause. His running made one think of Berwanger with his peculiar twists and cutbacks. Hall's position will be a hard one to fill this fall.

Dick Stanton was the sophomore star of the gridders of '35. With Stanton on the field, the Morgan Park rooters always felt a little more confident about stopping that enemy rush. His stellar line pounding and clean tackles were a joy to Empehi last fall and will continue to be a fixture for the next two years. Many points will be expected from husky Dick next year in his many line plunges. His splendid defence tactics are also one of the bases of the hope for a championship next season.

George Kowalchuk, diminutive quarterback, was the able field general of the team. Much credit for the showing of the squad must be given to "Boscoe" for his clever handling of the strategy that is such an important cog in a winning football machine. Small in stature, he made up for it in fight and determination. He was a veteran of the previous season and the experience he gained aided him in becoming one of the most dependable safety men developed at Morgan Park.

Bob Ingram, better known as "Iggy," was the dependable left end of the team. Only a junior, he displayed some of the best talent on the squad. His work was as good as to be recognized by the placing of his name on many all-star teams. Converted from the backfield, he was exceptionally speedy in getting down on punts and making the tackle. His pep, skill and fight wlil be vital factors in the success of next year's team, of which he has been elected co-captain.

Tom Staffelbach made a name for himself when he was given an opportunity to play the regular end post in place of Ingram, who was out with a back injury for a few games. Tom's light weight was more than offset by his aggressive play and terrific speed. It was Tom who traveled down under Govedare's long punts and nailed the man before he could take a step. He was also known for his speedy charges into enemy territory, smearing the runner before he arrived at the line of scrimmage.

Red Donovan probably was the streak you saw tearing into the enemy backfield last season, smothering their plays before they got started. This bundle of energy played the end position with a spirit and a desire to win seldom seen on a high school gridiron. "Murph" played with an abandon that was belied by his usually serene countenance. The fire of his play was matched only by the hue of his hair. He will be missed most by Coach Antonides when it comes time to make out the roster of next year's squad.

Luck
Chester
Wetterlund

Chet Wetterlund, until ineligible late in the season, played a bang-up game at the left half position, alternating with Bill Webbe. Accurate passing and shifty running were two qualities that made Chet a very handy man to have around on the day of an important football contest. Although he was hampered by injuries during a great part of the schedule, he often made runs which brought the stands to their feet. The team missed Chet's work greatly when he was declared ineligible for the last two games.

Bud Owles
13

Bud Owles at center proved to be one of the standouts of the team. His dependability, grim defense of our goal, and spirit made him the best pivot men of the section. His popularity and leadership gained recognition when he was honored by appointment as acting captain when Govedare was injured. Bud held up the tradition of the excellency of Morgan Park's centers by receiving places on quite a few all star teams picked by sports writers and coaches. Although light in weight he had the will to win.

Bill Pierce played right guard with skill that is seldom seen outside of collegiate play. His furious tackles while backing up the line will place him on a firm pedestal in Empehi's Football Hall of Fame. A veteran of two years, his smashing of interference and nailing of the ball carrier was a source of pride to Morgan Park's students. Bill's blocking was of the best. It was he who led our interference and paved the way for many Green and White touchdowns.

Will Heckman did some of the best work in the section at guard. His stubborn resistance to the plunges of the opposing team's backs and his dynamic charges while opening holes for our own backfield men, earned for him the position of one of the outstanding juniors in the city. Will was a member of the Green and White line over which not one point was scored all season. He has been chosen co-captain of next year's team by his teammates and is considered an all city prospect.

Rog Anderson. Colossal, stupendous,— Ah! Words fail me. Undoubtedly an All-American prospect at tackle. The snaky hips of Berwanger, the charge of the Four Horsemen and an undying desire to fight for Siwash or any other school that will make a better offer. Time after time we have watched him motion the rest of the line out of the play and tackle the runner and four of the interference and come out of it with nothing more than a broken nose. (Editor's Note: Anderson, how you can shovel it!)

Jumbo Elliot is all his name implies. Large of build (in fact terrific), he had all the power of a raging mastodon. When Jumbo got going even the spectators in the stands held onto their seats with more vigor. His charges often left paths similar to those of major tornadoes, with debris and fallen gridmen strewing the scene. Bill, as he is sometimes known, did all of this work at the tackle position. He was a veteran of the team which played for the city title.

Kong Crossman may look gentle but don't let his looks fool you. The donning of a football uniform by Kong is similar to the Jekyl and Hyde affair. It transforms him from his usual happy-go-lucky self to a raging beast, hungry for meat. His ferocious slashes into enemy territory stopped many of their rushes before their backs had shifted into high. Though only his first year on the squad this blond giant, by his fiery play, won the esteem of all who saw him play.

Dick Morton played a scrappy game at guard. Overcoming his handicap of light weight, he even found his way into the lineup as a tackle and fought with the biggest of them, making up for their brawn by sheer spirit and a grim determination to win. Dick was one of the surprises of the team. Playing with the reserves as a junior, he came through in his last year to win a firm place on the varsity. "Mo" is an example of what can be done with hard work coupled with determination.

Basketball

For the third successive year Morgan Park has had a new basketball coach. Thomas B. Roberts in his first year at Morgan Park did not meet with much success. However, he firmly believes that after he becomes more acquainted with the players and they get accustomed to his methods, the showing of his teams will improve.

Major letters for the seniors were awarded to Captain Art Pope and Graeme Paxton at the forwards; Bob Mathers at center, and Joe Heeny, Bob Havey and Jack Snyder at the guards. Juniors receiving major letters were Captain Bob Johnson and Al Morrison at the forwards; Ed Kosel at center, and Sanford Joyner and Bud McKinlay at the guards.

Swimming

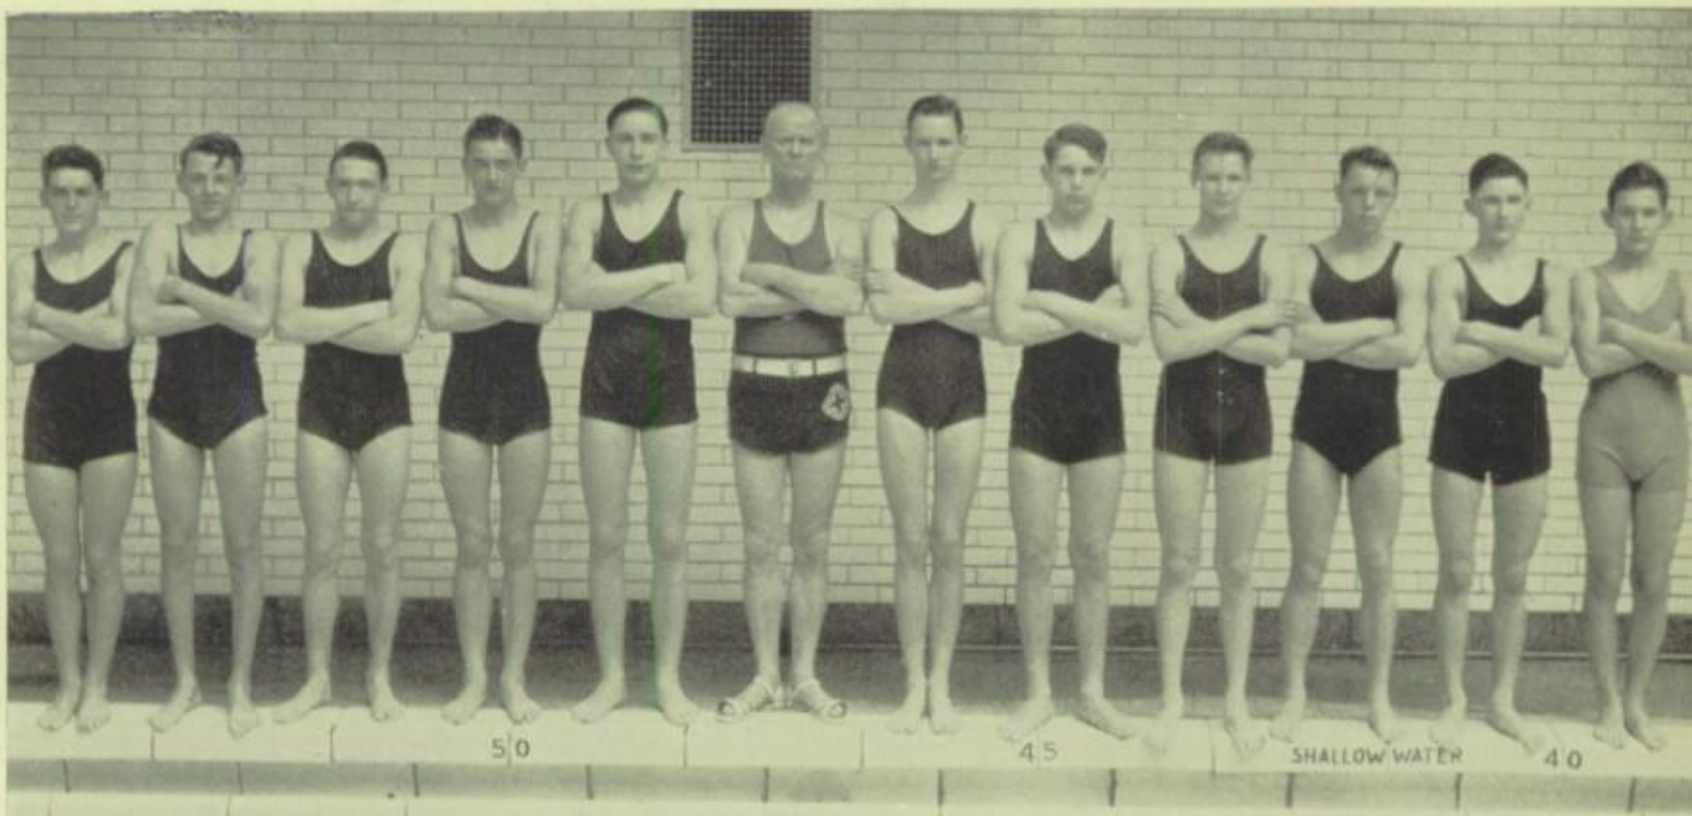
JUNIORS

Morgan Park's Junior swimming team made a very good record for themselves during the past season in spite of the fact that they lost five of their mainstays to the Senior team. During this term they won all but two meets. Art Bethke was the outstanding swimmer of the year. Specializing in crawl and breast stroke he won constantly throughout the season. Backing their captain to the highest degree were a team of mighty good mermen. Warren Brown and Ray Gasseler were usually among the first two to finish in the crawl, while Chuck Beardsley and Phil Upp showed their worth as divers by bringing in more than their quota of points. The city meet, the big event of the year proved the ability of our stars. Art Bethke finished second in the fifty yard breast and the medley relay composed of Art, Warren Brown and Bill Oldacre, finished fourth.

Coach Maysack

SENIORS

Morgan Park's Senior swimming team made the finest showing of any of Morgan Park's best aquatic teams. The team easily won in meets with the majority of the teams in the South Section, and with only one team, Parker, did they tie in a meet. The team was not one which was carried along by a few stars, but rather a team in which every man did his part for the school. The outlook for the team at the beginning of the season was rather poor, because of the great number of swimmers who were lost after the preceding semester. As the season got under way the outlook changed to a very bright one, and the team, under the able coaching of Mr. Maysack, proved to be an exceptional one. Morgan Park may well be proud of the South Section Championship Team of '35-'36.



Juniors

Seniors

Wrestling

Murphy Durling Kawalchuk Moorman Rich
Govedare Flagler Anderson E. Anderson R. Ingram

The team of grapplers, under the able tutelage of Coach Antonides, brought the season of '36 to a close in the City meets last March 27 and 28. Lacking the services of four regulars who were lost by graduation, Coach Antonides immediate problem was the development of new material to complete his team. Although some weights were well supplied, others were faced with a lack of material. In these cases Coach Antonides often substituted lighter men who proved not only proficient but usually tacked down firmly their heavier opponents. The team experienced a good season but met defeat at the hands of some stronger schools. The climax of the season was reached when Edward Anderson proved his superiority over all the other contestants in the city in the 155 pound division. This was the second championship in Empehi's mat history. Anderson also remained undefeated throughout the entire season, winning every bout by either a fall or time advantage. Bob Ingram, also 155 pounds, contested closely with Anderson and finished in third place in the City meet.

The first string wrestlers were Siemens, Durling, Rich, Tattershall, Flagler, Moorman, Kowalchuk, Ingram, Ed Anderson, Phil Govedare and Rog Anderson.

Schaefer Glenn Malinsky Holle McGrath Howat Blumenschein Larson
Hilgendorf Stewart Lytton DiCola Casey Stratton Jacobs
Heeney Franzen Yursis Kowalchuk Moorman Johnson Rump

The Morgan Park baseball team experienced its most successful season in years. From a hopeless inexperienced team at the beginning of the season, Coach Robert Antonides rounded out a sectional contender. At this writing, the team is in second place with four victories and two defeats. An important factor in the team's success was Alex Yursis, veteran pitcher, who has pitched practically all of Empehi's games; winning four and losing one. Fred Holle, Frank McGrath, Bud Stuart, and Robert Stratton complete the staff.

Yursis was helped by the splendid aid he received from the catching staff, headed by George Kowalchuk, sturdy backstop. Chuck Moorman, veteran catcher, also saw service. Another vital cog in the team's success was the playing of Bob Johnson, hard-hitting short stop. Joe Heeney and Ed Hilgendorf alternated at first base. Paul Franzen played second while Bob Casey saw action in a few games. Anthony Di Cola and Fred Lytton alternated at third base. The outfield, composed of Lester Rump, Claude Schaeffer and Chuck Moorman or Winston Glenn, was very fast and showed plenty of power at bat. Other members of the squad included Fred Blumenshein, Russell Malinsky, Bruce Howat and Bob Jacobs.

And for Young MEN, *too!*

STENOTYPY makes a particular appeal to young men. It's a man's way of writing shorthand—no trying to master a system of strange hieroglyphics, or fussing with a pencil and notebook. And it is much more—one of the quickest, surest ways of getting into Business with the right Company and the big boss. There's something, young man, to think about!

MISS STENOTYPIST . . .

She's Equipped to Go Fast — and Far — Along the Airways of Modern Business!

IN STENOGRAPHY she enjoys the air-pilot's speed, precision and comfort—because she takes the quickest way from spoken word to typed record! And open to her are a score of varied opportunities: private secretarial, inter-organization reporting, special professional work, U. S. Civil Service, court and convention reporting—as well as advancement into executive duties for which she may be qualified! . . . It is no wonder intelligent, resourceful young High School graduates can prepare to go fast and far via Stenotype training? And are doing so, in growing numbers each year! . . . If you're considering this new-career idea, let us talk with you before you decide. Perhaps we can be of real help to you.

Call in person, telephone, or write a letter to the address below.

VOL. I. NO. II

GRADUATION

With strenuous objections on the part of the students and sighs of relief from the faculty the class of June '36 was graduated last night in the swimming pool. The scene dripped with dignity as the seniors solemnly swam the length of the pool to the accompaniment of the sweet and flowing strains of Benny Goodman playing Christopher Columbus. Mr. Harry (Princie) Baker gave a stirring address on "Why that guy Lorentz gets in my hair." The scene was chosen by a committee of the faculty consisting of Lil Condit, Annie Callahan, Ed (Truckin') Meyers and Barnacle Gay. They explained that the class having been all wet through high school so why have a drought on parole day.

Among those who received their walking papers were Ort Alkire, whose long and distinguished career (especially long) won for him a scholarship at the House of David Barber College; Tiptoe Hodson, who earned a place in Empehi's Hall of Fame as an esthetic "dancer"; "Affection Hatfield," an announcer's daughter who was always on the "mike"; and Swing McCumber, well known torch singer on Red Hot and Way Low Down program.

A graduation shower was held in the locker room at which Trixie Gallarneau did parlor tricks. Due to a miscalculation he unfortunately slid down the drain. The difficulty was soon straightened out as was also Gallarneau. Astaire Bruner gave a reading on "I Got Rhythm" with slides. At this point nobody was left but the next

speaker so the party broke up.

After a while at Bobildic's when Harry, G.G. and the boys were guzzling Cokes, Baker discovered that he had read a marriage ceremony instead of the graduation speech and having once been a justice of the peace, all the couples in the graduation swim were married. Fritz Fenger, who had plunged in with Hatfield, immediately left and has not been heard from since. Anyone who finds him, return my new tie but keep Fenger.
